Agen AND FRYER—GERAT CURE—I bereby certify that for three years I had Ague and Pever of the most violent description. I had several Physicians, took large quantities of Quinlot. Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bettles of which effectually cured me, and I am happy to say have had either Chills or Fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case. J.LONGDON, Beaver Dan. C. B. LUCK, East, now in the city of Richmond, and for many pears in the PostOffice, has such confidence in the efficacy of Carter's Spanish Mixture, that he has bought upwards of St. outles, which he has given away to the afflicted. We assure the afflicted, that a bottle or two of Dr. Guysott's Extract of Vellow Dock and Syrasparilla wil at once regulate those difficulties, and resew the natural energies.

A CURE OF IRREQUESTITY IN THE PRES MENSTRUATION.

Read this statement of the cure of Mary loore, who was given up by her physicians ar being utterly incurable, as herein certified to by Dr. A. S. Warder, one of her consulting physicians,

This is to certify that I was called to see the above named Mary Moore, during the above of her regular attending physician, found her in a critical and dangerous condition, and, as I thought, beyond all hope of recovery. After this I was called in consultation with her regular attending physician. Our opinions were, that her recovery was impossible. I learned that her disease was caused more than five years ago, from irregularity in her periods of menstruction, caused by taking a severe cold. did not see her again, but soon after lear that she was getting wall. I was much supprised at this, and on inquiring what could have caused this sudden change, was informed [by Wm. Rittenour] that she had been taking Dr. Gupcott's Extract of Yellow Dock and Sarety rills. Chave since heard of its great effect

in other cases in this violaity. I have no is-ducement to make this statement, other this it may induce others afficied as was the act jest of this statement to try the Yellow Do and Sacraparilla, believing as I do, that it possessed of many excellent qualities, and adapted to many diseases incident to the home family.
